## Help Out

## Torgal

Torgal is a sovani, a race known for it's incredible longevity. His four arms make him a powerful battlefield presence. The sovani race

generally keeps to themselves, making it unusual that Torgal would work for Athlum-especially in such a prominent position. Somewhat detached (as befits one whose lifespan exceeds all the other Generals' plus David's ages combined), he is nonetheless a loyal servant of Athlum and is considered leader of the four generals.
